

# A.HINGLEY >>> TRAINING

CERTIFICATE OF COMPETENCE

# DELIVERING THE FUTURE

## *Make your skills and experience count*

**Prove your driving ability and all-round expertise by gaining the Master Driver Certificate of Competence.**

Unlike any other LGV tests it covers skills that drivers and employers have identified as crucial to a fully competent, safe and responsible driver - defensive and economic driving of a laden vehicle over all road types, daily vehicle checks, a practical assessment of vehicle load security, route planning and customer care.

Master Driver is a practical qualification - a single assessment during your normal working day. It sets a high standard to give you the professional status you deserve!

The RTITB Master Driver Certificate of Competence has been developed by RTITB in conjunction with LGV drivers, road haulage companies, transport professionals and large employers.

## *What are the advantages?*

- You will be recognised as a professional by the industry
- You will be respected and valued by employers
- The best jobs will be available to you!
- You will be on the  
Master Driver National Register
- You will be respected by the Public
- Master Driver is relevant to S/NVQs
- Master Driver is something you can be proud of!

**A.HINGLEY** >>> **TRAINING**

## *What does it take to become a Master Driver?*

- As vehicle safety is paramount, you must carry out a comprehensive daily check following a standard Master Driver Check
- You must be able to assess load distribution, safety and security.
- You are tested driving a laden vehicle on all road types
- You must understand and demonstrate the principles of defensive and economic driving.
- You must be able to plan routes taking in to account time, fuel economy, environmental factors and vehicle weight restrictions.
- You must have a knowledge of basic first aid in the event of emergency.
- As a first line ambassador for your company you must recognise the importance of safe and courteous driving and customer care.

# About the test

- Testing is carried out by our RTITB accredited Assessors either at a local centre or at your employer's premises.
- The Master Driver test is a Practical "in cab" assessment carries out during your normal working day.
- A typical test takes half a day.
- You can make an individual application or employers can apply on a corporate basis.
- Cost: £250.00 (includes first year membership, normally £15). The benefits to your employer of using Master Drivers are considerable so they may be prepared to assist with this cost.
- The Master Driver Certificate is subject to annual renewal requiring sight of licence and driving history validation.

Certificate No. 11378
